Note rate steps from 6.500% to 3.875% at permanent modification. Term extended to 480 months. Arrears of \$12,440.17 capitalized into new UPB of \$284,915.44. First trial payment due 09/01/2026. NOTE: legacy servicer loan number 5521-8841 appears on some prior-servicer docs — do NOT board that number; board to 0098-447120-6.
